

Uploading your Digital Artistic Support Materials: *Acceptable Formats and Sizes for Online Granting*

Each program has specific requirements for support materials. To find out what is needed you're your specific discipline within any given grant, please refer to the online grant program guidelines at www.vermontartscouncil.org. Please DO NOT submit extra materials. We will choose only the number specified and will delete the files we do not need for the review.

IMAGE BANK:

Only JPG images are accepted and must be sized to be 1920 pixels by 1920 pixels.

PLEASE DO NOT SAVE YOUR JPG AS A PROGRESSIVE JPG FILE. Progressive JPGs will be read by the Web site, but the large format images used during the jury will not work properly if the files are saved as progressive files.

Please note there is a file size limit of 4 MB.

AUDIO BANK:

Only MP3 files are accepted.

Please note there is a file size limit of 4 MB.

VIDEO BANK:

We recommend that you save your videos as either QuickTime .MOV, Windows .AVI, or .MPG files— these are the most common formats and they work well within our system.

We specifically recommend the MPEG4 (H.264) format at 640x480 resolution with MP3 audio. Resizing your video to these specifications before uploading will help your clips look better.

Please note there is a file size limit of 100 MB.

DOCUMENT BANK:

Only .doc or .pdf documents are accepted.

Please note there is a file size limit of 4 MB.
