Project Narrative
You have the option to respond to the narrative questions in writing or by recording your answers as audio or video files. The online application will have two separate tabs: Option 1 Written Narrative and Option 2 Recorded Narrative. You only need to select one option to answer the narrative questions.

If you decide to record your answers, keep the recording simple and to the point. The production quality of recordings will not be considered in your review. Just make sure we can hear and understand you and keep editing and postproduction embellishment to a minimum. The audio or video recording needs to be an accessible link (e.g., YouTube, Vimeo, Soundcloud, etc.)

Be sure to include: What is your art form or area of artistic expression? How long have you worked in your creative medium? How much time do you regularly devote to your artistic practice?

Key Individuals
Give us more information about the credentials of any individuals, other than yourself, involved in this activity. This could be instructors, consultants, professional photographers, videographers, etc. Why are they key to your proposal? Have you researched other sources? You can include up to five individuals.
