

Creation Grant | FY2022 Guideline and Application Changes

The Vermont Arts Council supports the work of artists through professional development, funding, and other resources. Each year, using feedback from applicants and panelists, we review our grantmaking to improve the application process for artists, and increase our impact. A comprehensive list of changes to the FY2022 Creation Grant Guidelines and Application are as follows:

Grant Guidelines:

- **New** – While all eligible Vermont artists are encouraged to apply for a Creation Grant, special consideration will be given to emerging artists in this grant round. See guidelines for Emerging Artist criteria.
- **New - Eligible Expenses**
 - Include the cost of accommodations and accessibility related to the creation of the work. This might include captioning, ASL or other interpreters, large print, audio description, assistive listening system rentals, etc.

Grant Application:

- In addition to a written response, artists may now record their narrative answers as video or audio files.
