

Creative Network Convening Accessibility Information

JUNE 6, 2024

The Creative Network convening will take place at three primary locations:
Bellows Falls Opera House (Opera House)
Rockingham Free Library (Library)
Bellows Falls Waypoint Center (Waypoint Center).

These locations are accessible for visitors who use wheelchairs or other mobility aids, and for those who prefer not to use stairs. The Opera House and the Library have elevator access to meeting rooms and accessible toilet rooms. The Waypoint Center meeting room and accessible toilet rooms are all on the main level.

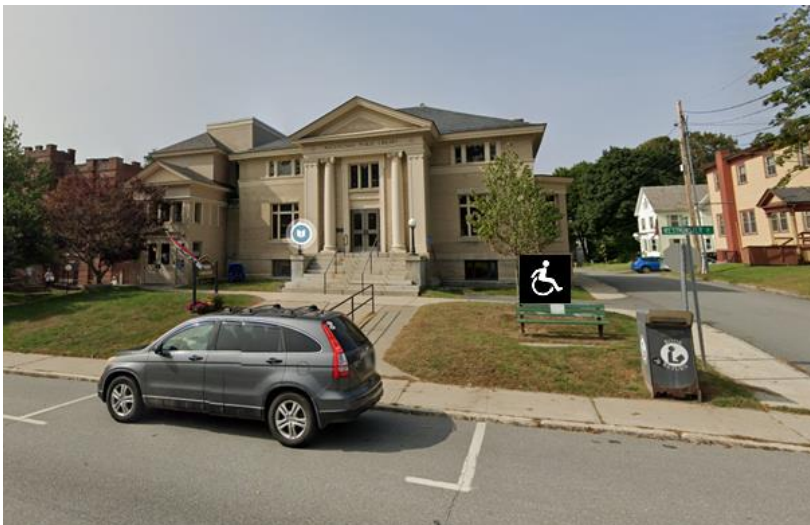

The walking distance between the Library and the Waypoint center, with the Opera House in between, is approximately 4 tenths of a mile. Portions of the streets (Westminster, Square, Canal, and Depot) between the venues are steeply sloped with sidewalks and curb cuts in varying conditions from excellent to poor. Limited shuttle service may be available if requested by May 15. Please contact staff about your specific needs.

Parking: Accessible spaces are available at each location on a first come first served basis. **We encourage participants to contact us for suggestions about pick and drop off locations.**

Parking at the **Opera House at 7 Square** is located on Square Street.

Parking at the Library at 65 Westminster Street is in front of the library and accessed from Temple Place.

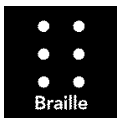

Parking for the Waypoint Center at 17 Depot Street is in the lot near the main entrance of the far lot.

Accessible restrooms are available in all three locations.

Service animals are welcome. Service animal relief locations are indicated on the map above.

Assistive listening devices, American Sign Language interpreters, and selected materials in braille or large print may be available if requested by May 15

We invite you to contact us with specific accommodation you may need to facilitate your participation in the event.

We will make every effort to honor your request when made by May 15.

Questions regarding accessibility may be addressed to Michele Bailey, Accessibility Coordinator at
